

## Partial and Full Lockdown Procedures

Lockdown procedures should be seen as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety of staff and pupils in the school. Procedures should aim to minimise disruption to the learning environment whilst ensuring the safety of all pupils and staff.

Signals	
Signal for full lockdown	<p><b>Continuous ‘intermittent’ alarm bells.</b></p> <p><b>Important</b> - The alarm will only sound for a maximum of one minute. The ceasing of the alarm does not indicate the end of the lockdown and staff/pupils must continue to adhere to the procedures.</p>
Signal for all-clear	<p><b>Verbally from designated person</b></p>

Lockdown procedures may be activated in response to any number of situations but some of the more typical might be:

- A reported incident / civil disturbance in the local community (with the potential to pose a risk to staff and pupils in the school)
- An intruder on the school site (with the potential to pose a risk to staff and pupils)
- A warning being received regarding a risk locally, of air pollution (smoke plume, gas cloud etc).
- A major fire in the vicinity of the school
- The close proximity of a dangerous dog roaming loose

It is of vital importance that the school’s lockdown procedures are familiar to all members of staff. To achieve this, a lockdown drill should be undertaken at least once a year. Depending on the age, pupils should also be aware of the plan. (Regular practices will increase their familiarity). Parents too should know that the school has a lockdown plan, a copy is available to view on the school’s website.

The school’s lockdown plan is as follows:

Full Lockdown

<p><b>Communication between parents and the school</b>  <a href="#">If the school is in a full lockdown situation, during this period the switchboard and entrances will be un-manned, external doors locked and nobody will be allowed in or out of the school.</a></p>
<p><b>Parents should note the following:</b></p> <ul style="list-style-type: none"> <li>the school understands your concern for your child’s welfare and assures you that it is doing everything possible to ensure your child’s safety</li> <li>Parents are requested not to contact the school as calling the school will tie up telephone lines that are needed for contacting emergency providers</li> <li>Parents are requested to not come to the school as you may interfere with emergency services access to the school and may put yourselves in danger</li> <li>The school will contact parents via ParentPay when it is safe for you to come and collect you child and where this will be from.</li> </ul>

**Emergency Services**

It is important to keep lines of communication open with Emergency Services as they are best placed to offer advice as a situation unfolds. The school site may or may not be cordoned off by Emergency Services depending on the severity of the incident that has triggered the Lockdown. Emergency Services will support the decision of the Headteacher with regarding the timing of communication to parents.
