Christmas Cards

We have lots of lovely plans in school to celebrate the festive period while also following the restrictions put upon us this year. We are sure your child will tell you all about our wonderful Christmas trees, the fabulous decorations and the fun activities that they have been doing in class.

Unfortunately, we do have to request that the children DO NOT bring in lots of Christmas cards from home this year. So that all the children get a chance to share a card we suggest that, if your child would like to, they bring in ONE card written to “All my friends in . . . (insert class name)” and the teachers will then display these cards in the classrooms. We appreciate your support with this.
